## 118.7 PROVIDING FOR THE CONSIDERATION OF H.R. 2274

Mr. QUILLEN, by direction of the Committee on Rules, called up the following resolution (H. Res. 224):

*Resolved*, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for consideration of the bill (H.R. 2274) to amend title 23, United States Code, to designate the National Highway System, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with section 302(f) of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Transportation and Infrastructure. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment recommended by the Committee on Transportation and Infrastructure now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of H.R. 2349. That amendment in the nature of a substitute shall be considered by title rather than by section. The first two sections and each title shall be considered as read. Points of order against that amendment in the nature of a substitute for failure to comply with clause 1(q)(10) of rule X, clause 5(a) of rule XXI, or section 302(f) of the congressional Budget Act of 1974 are waived. Before consideration of any other amendment it shall be in order to consider the amendment printed in the report of the Committee on Rules accompanying this resolution, if offered by Representative Shuster of Pennsylvania or his designee. That amendment shall be considered as read, may amend portions of the bill not yet read for amendment, shall be debatable for ten minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against that
